

Staff Satisfaction Survey Example Questions

Version September 2016

Monitoring staff satisfaction and turnover is a key part of your commitment to treating your employees responsibly.

As a social business, you need to know if your staff are on board with your mission, and whether they feel supported and empowered to achieve it. Tap into their insights by updating your existing annual staff satisfaction survey, in line with the [Universal Standards for SPM](#). You'll find tables below of questions (grouped by Dimension of the Universal Standards) that you can adapt as needed.
